Engineering the Future of
Drainage Solutions

Founded in 2012, **Bhagyoday** has grown into a trusted name in the manufacturing of high-quality drainage and bathroom products. Located near Rajkot, Gujarat, a region renowned for its engineering and manufacturing excellence, Bhagyoday takes full advantage of this environment to craft innovative, durable solutions that seamlessly combine functionality with style.

At the heart of **Bhagyoday** success is a commitment to precision and quality. We use premium materials like AISI 304 and 316 stainless steel, especially for bulk orders, ensuring exceptional durability and flawless finishes. This dedication to superior craftsmanship has made **Bhagyoday** the preferred choice for customers who demand products that meet the highest standards.

In addition, we specialize in crafting premium stainless steel fasteners for wall-hung lavatories, washbasins, and cast iron brackets. Each product is designed for superior performance and lasting durability, showcasing our unwavering commitment to quality.

REASONS TO CHOOSE OUR PRODUCT

Designed to increase drain efficiency. Each design has variable high flow rate to drain speedily.

International grade stainless steel (ss) for best and lasting performance.

Safety is key for installation and day-to-day usage. All sharp edges are folded inside & tapered outside.

Gradient slope towards outlet increases draining capacity and offers ease in manual cleaning.

Globally compliant 100% recyclable material.

Anti-cockroach trap options available to control generic pests.

International quality standard raw material, craftsmanship and sizes to cater to global market.

Customized product sizes and quality can be produced for corporate, OE sourcing and international market requirements.

Higher grade ss are most resistant to rust and corrosion in constant humid conditions.

Precision engineered for easy installation and all essential provided.
